

Daily Prayer Guide for the Gibsons

Mondays — Mission

Pray for God to grant success to our missionary effort. Pray for the lost to come to know him. Pray for us to be acutely aware of what He would have us do each day. Ask the Holy Spirit to send people to us whose hearts are ready to hear the Gospel. Pray we will recognize these opportunities and seize them courageously. Ask the Holy Spirit to cause a thirst for God's glory and salvation in Jesus Christ to take hold of the people around us. Ask Him to guide us to them, and them to us.

Tuesdays — Two of Us

Pray for our marriage. Pray we will be kind to one another. Pray we will remember to minister to each other as we are ministering to other people. Pray for us to cooperate well together. Pray for our purity. Pray our marriage will be a light in Japan, that it will show the love of Christ to those who need to see Him.

Wednesdays — What breaks your heart?

Japanese orphans? Depression and suicide? Abortion? Divorce? Prostitution? Human trafficking? There are several symptoms of hopelessness that seize Japan. If any of them break your heart, focus on praying for the people who suffer from them, and pray that we will be able to minister to them well.

Thursdays — The School

Pray for Genesis International College. Pray for it to grow. Pray for God to send Christian teachers and finance their way to Osaka. Pray for GIC to effectively provide a high quality education for those who deserve it and cannot afford it. Pray for GIC to shine the love of Christ into the surrounding community and into the lives and families of the students. Pray for Genesis Cafe, an English conversation practice outreach. Pray the conversations will naturally turn to Christ and that opportunities for sharing the Gospel will present themselves. Pray the students and their friends and families will come to faith in Christ. Pray for Daniel's work in addressing the technology needs of the school.

Fridays — Our Family

Pray for our family. Pray we will be godly parents. Pray we will lead our children to Christ and share the gospel with them just as much as we do others. Pray for our family that misses us back home. Pray for our hearts when we miss them. Pray for those who we lead to Christ to feel accepted into a new family within the church, because their Japanese family may treat them as an outcast. Pray they will be able to lead their family to Christ.

Saturdays — Worship

Saturday in the Americas is Sunday in the East. Pray for the church in Japan to grow larger in number, deeper in faith, and closer in brotherhood. Pray for us when we worship together, that we will be able to worship in unity with believers from a different culture than the one we were raised in. That we will learn from our brothers and sisters in Christ who have a different background than we do. Pray that the Holy Spirit will unite us all in Christ, and that we can raise a joyful noise together to the same Father God. Pray that our love for one another will be a light to the nation that leads more to salvation in Christ.

Sundays — Needs

Pray for God to supply all that we need to serve Him in Japan. Pray for the plane tickets. Pray we will find a place to live. Pray we will have the food we will need to eat. Pray that God will provide all the funding necessary for us to travel to Japan, and for us to live in Japan for the next ten years. Pray for those through whom God will provide this money, that they will be blessed through their offering. Pray for our family's spiritual, mental, and emotional needs, that they will be nourished and provided for.
